**Passenger Policies**

Our ferry crews regularly hold drills to ensure they are prepared to respond in the unlikely event of an emergency. All ferries and safety equipment, including personal flotation devices (PFDs), are regularly inspected in accordance with local regulations, codes and safety standards. Our goal is to provide you the safest most enjoyable experience with SeaExpress. In order to mitigate any potential risks associated with passengers either to themselves, the crew, staff, or the vessels, the following policies are to be adhered to.

**Prohibited Behaviours include but are not limited to:**
- Smoking on the ferry or in the terminal areas.
- Illegal drugs or drug paraphernalia.
- Consumption of personal alcohol on the ferry or in the terminal areas.
- Vulgar language or gestures, physical violence, harassment, threats, etc.
- Any conduct deemed unsafe or disruptive.
- Throwing objects from the ferry.
- Vandalism, destruction, graffiti or marking of any facility or vessel.
- Sitting in or blocking the aisles or stairwells. Unruly children or passengers will not be tolerated.

**Other On-Board Considerations:**
- Passengers or unauthorized persons are usually not allowed in the wheelhouse.
- No pets or animals are allowed in cabin areas, with the exception of service animals, without the express permission of the Master. Dogs should be leashed, under the control of the owner, and not allowed to remain inside the cabin areas or on the seats.
- Riding on ramps, piers and slalows is hazardous. Before boarding the ferry, dismount and walk your bike on board and if necessary, ask a crew member for assistance.
- Ask a crew member if uncertain where to safely secure your bike.
- Passengers should be dressed with shirts at all times.
- Boarding is usually by the passenger access system or gangway. Where provided, please hold handrails and avoid carrying heavy luggage or items.
- Some decks feature raised or recessed landing points and other trip hazards. Please watch your step at all times and use the designated walkways.
- Hold on to the handrails where provided. Due to the ferry designs, stairways are steep and present a hazard, particularly when wet.
- Pay attention and take care not to trip on open decks and when using doorways.
- Please do not board the ferry at any point at which you see anything believed unsafe or a medical emergency, please immediately inform a staff or crew member.
- Please keep hands clear of door enclosures.
- Movements, as this may result in doors suddenly closing shut. For your safety, please watch your step at all times and use the designated walkways.
- Pay attention and take care not to trip on open decks and when using doorways.
- Inappropriate footwear (flip flops, cycling shoes and high heels) are not well suited for climbing stairs or crossing decks. Please take extra care to maintain your footing, especially on the terminal deck.
- Please do not board the ferry at any point at which you see anything believed unsafe or a medical emergency, please immediately inform a staff or crew member.
- Please pay attention to safety announcements and/or notices.
- Cell Phone Courtesy - keep your voice and laughter as low as possible, and avoid profanity.
- Use of headphones is required when playing music or gaming.
- Eating is allowed but all trash and belongings should be removed by passengers before disembarking the ferry.
- Please use extra caution in strong winds and prepare for unexpected ferry movements, as this may result in doors suddenly closing shut. For your safety, please keep hands clear of door enclosures.
- If at any point at the ferry terminal or on the ferry while travelling you see anything believed unsafe or a medical emergency, please immediately inform a staff or crew member.
- Department of Marine and Ports Services shall not be liable for loss or damage to property.

We appreciate your help in keeping our ferry transportation system safe and secure for all to enjoy.
